

Binding machine type ZN-700, type ZN-1000

The machine is designed to bind various types of posters: one page poster-type calendars, advertising posters and many more in metal straps. Maximum binding length depends on the type of machine is 700mm or 1000mm.

Both ZN-700 and ZN-1000 were uniquely designed by Estyma and are protected by Polish Law

and are registered with the Polish Patent Office. Nobody has been granted the right to copy the machines.

Both machines are equipped with a safely removal option for an incorrectly inserted metal strap .It guarantees full safety for the operator.

ZN-700

ZN-1000

You can see how the machine operates on www.estyma.eu
